

# La Solatìa

## TOSCANA

### INDICAZIONE GEOGRAFICA TIPICA

The grapes used to produce this wine come from La Solatìa Estate vineyards near the medieval town of Monteriggioni, close to Siena.

#### VINTAGE

2025

#### GRAPE VARIETIES

Pinot Grigio

#### ALCOHOL CONTENT

13% alc./vol.

#### ALTITUDE AND SOIL

190–250 meters above sea level. Soil with a loam-silty-clay texture, rich in limestone, and with the presence of travertine rock.

#### VINTAGE REPORT

Vintage characterized by a humid, rainy spring, followed by particularly hot months of July and August, with temperatures exceeding 40°C. The harvest of Pinot Grigio began on August 20 and lasted for an entire week.

#### VINIFICATION AND AGING

After being hand harvested and destemmed, grapes are cooled and gently pressed. The alcoholic fermentation takes place in stainless steel vats and ceramic amphoras, followed by an aging of five months on lees helped by bâtonnage. This brings a complex texture and full respect of fruit.

#### TASTING NOTES

Color: bright straw yellow

Aromas: pears and tropical fruits with elegant floral hints of broom and hawthorn.

Tasting profile: superb balance between aromatic freshness and acidity with a sapid finish and good persistency.

#### WHY?

- La Solatìa was one of the first Pinot Grigio wines to be made in Tuscany.
- Ceramic amphoras are created at high temperature and are characterized by very low oxygen permeability and high thermal insulation which gives texture and character to the wine.

#### WINEMAKER QUOTE

«Solatìa Pinot Grigio is a wine which fully respects the identity of the territory. Its ripeness is enriched by complex aromatic nuances well balanced by a partial ceramic aging.»

#### FIRST VINTAGE: 2002
